

REMARKS

Claim 20 has been amended by incorporation of the limitations of claim 22 and thereby represents allowable claim 22 rewritten in independent form.

New claim 38 represents allowable claim 23 rewritten in independent form.

New claim 39 represents allowable claim 29 (with intervening claims 21) rewritten in independent form.

New claim 40 represents allowable claim 36 rewritten in independent form.

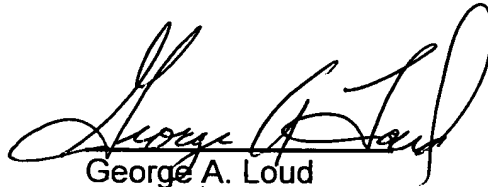

Thus all pending claims are now limited to subject matter the examiner has found to be allowable over the prior art.

Responsive to paragraph 3 of the office action, claim 35 has been canceled and recitation of "a drive source" has been canceled from the claims.

Claim 32 has been amended responsive to the rejection for indefiniteness.

Accordingly, the application is believed to be now in condition for allowance.

Respectfully submitted,
